EQ2, LLC to Educate, Showcase, Demonstrate, Entertain at AAMI Tampa

CMMS Solutions Provider Will Be Taking a Leading Role at the Educational Conference, on the Expo Floor, and at the Interoperability Experience

Burlington, VT – [EQ2](#) – a leader in hospital computerized maintenance management systems (CMMS), will be giving attendees of the 2016 AAMI Annual Conference & Expo [four distinct opportunities](#) to discover how comprehensive CMMS solutions can make their jobs easier and allow them to make sound business decisions. This includes a presentation at the educational conference on how to turn data into value; live demos of new modules and dashboards for the [EQ2 HEMS CMMS](#) during the expo; demos of interoperability with leading medical devices and systems during the AAMI Interoperability Experience; and a reception for users, the media, and others that want to learn more about HEMS.

Vishal Malhotra, Chief Technology Officer of EQ2, LLC and Michael D. Philpott, CBET, BS and Corporate Director at Adventist Health will be presenting at the AAMI educational conference on the topic of [“Driving the Value of the Clinical Engineering Department: Leveraging the Unmined Information”](#). This session will be Monday, June 6, 11:15 AM – 12:15 PM. Here attendees will learn how to use data to help make better decisions and drive the value of the clinical engineering department, including from data that they may not know even existed.

EQ2 will be at booth #506 on the Expo floor Saturday, June 4 – Monday, June 6 showing live demos of new modules and dashboards for the EQ2 HEMS CMMS. Attendees will be able to see how the *Automation and User Friendly nature of the HEMS CMMS* benefits Leadership, Technicians, and Clinical Staff:

- Regulatory Compliance
- Equipment/Asset Lifecycle Management
- Work Order and Equipment Management
- Alternative Equipment Maintenance (AEM)
- Advanced Dashboards and Reporting
- Interoperability with Medical Devices (IHE PCD)

Demos of the interoperability of EQ2 with leading medical devices and systems will be on display as part of the AAMI Interoperability Experience Saturday, June 4 – Monday, June 6. EQ2 is [the only CMMS vendor with tested IHE PCD interoperability at the 2015 and 2016 Connectathons](#).

The EQ2 Reception will be held on Sunday, June 5, 7:30 PM – 10:30 PM and is a great opportunity to hear from others how they are using the HEMS CMMS and to eat, drink, and relax after the last full day of the AAMI event. **For details on attending the reception, either call 888-312-4367 (M – TH) or stop by booth #506 at the expo.**

If you have questions about any of the other items mentioned above, contact EQ2 at 888-312-4367 or visit www.eq2llc.com or www.eq2llc.com/aami-2016-conference-and-expo/.
